Officers Absent: Curt Johnson and Steve Powell

Last month's minutes and the treasurer report were e-mailed to each officer. Patti posted both the minutes and treasurer's report. A motion to accept the minutes was made by Patti and seconded by Ray.

TREASURER'S REPORT:

The report was read by Patti Powell. A motion to accept the report was made by Ryan and Ray seconded.

ACTIVITIES DIRECTOR REPORT:

We first discussed the fishing derby. We had great donations and a great turn out. All the raffle tickets did not sell. Paul wanted to know if we should make any changes. He suggested we make Saturday for the kids and give out their prizes on Saturday as many did not return on Sunday. Sunday we can give out the adult prizes. We will keep this in mind and make a determination at a later date. Food sales were not good. Paul wondered if we should repeat the sponsorships. Everyone is in agreement. Hopefully, the same sponsors will donate next year. Patti suggested we include ice skating or corn hole games. Many people felt the timing was off this year as other local people had contests going at the same time. There was also discussion regarding a new raffle prize. Many people thought the ice suite prize has run it's course.

We had 16 teams for the squirrel hunt. Great turn out. We had \$130.00 deposit and paid out prizes.

UNFINISHED BUSINESS:

We need to have a key to the basement available in the clubhouse. The furnace was not working today when we arrived. No key was available to get to the basement. Bruce left his key - It is now hanging next to the kitchen window. We discussed the furnace issue and decided we need to take care of the propane tank. We have talked for months about replacing the tank that is there. Scott believes he has a 100 lb tank we can use. We are currently paying \$159.00 yearly rent.

ANNOUNCEMENTS:

Roadside clean-up will be April 23 – 9 am at the clubhouse. We are also planning to clean-up the clubhouse property this day. Next meeting will be May 14 at the clubhouse.

June 4 will be the canoe trip starting at 10 am with a summer picnic to follow.

June 11 association meeting with nominations for vice president, 2 trustees and secretary.

Patti will reach out to the Woodbeck Lake association people to find out when the golf outing will take place.

TOWNSHIP REPORT:

No one attended, nothing to report.

NEW BUSINESS:

We discussed replacing the tables in the clubhouse. There will be a wedding taking place here in October, therefore we should act upon this before the wedding. Paul and Ray will get prices of some lifetime furniture (tables and chairs). We may be able to sell some of the tables we currently have.

Ray thanked us for the flowers we sent to Mary. She was in the hospital for 2 months. Currently doing better but still not back to normal. She continues to make progress.

Ray was working with the DNR regarding the fish planting. He has to submit all new paperwork. We talked about planting 1500 bluegills 4-6" \$2,550.00 and 300 walleye 6-8" \$930.00 for a total of \$3,630.00 delivered. Paul moved to approve the monies and Ryan seconded. We talked about releasing at Caswell's property rather than Lincoln Lake and boating the fish to Blue lake.

MOTION TO ADJOURN by Paul, SECONDED by Pat, ACCEPTED @ 5:50 pm.
