April minutes were read and approved. There was no May meeting because of lack of quorum.

OLD BUSINESS: Discussed increasing overhang of roof for \$3200 (quote from Bill Troxel) to reduce ice. There is consideration for someone getting hurt. It was suggested that that the members may do the work. Bill offered his help. Paul suggested extending deck to wrap around. Paul suggested 5 year plan. Mike suggested to include new windows in 5 year plan. Bill suggested that windows don't need to be replaced because they are in good condition and we don't heat the place. It was suggested, if a wrap-around deck is done, it should be done in such a manner that a roof could be added at a later time. Bill will get an estimate from a lumber company for material.

TOWNSHIP REPORT: Township clean-up is June 24.

CLUBHOUSE REPORT: Ray did power washing. Association will give him gas money.

NEW BUSINESS: Ray was concerned about campground septic because clarity of lake seems to be effected. It was recommended the DEQ test the water. Mike and Ray will work on getting water tested. It was suggested that farming run off may also be a problem.

Need to get the dock in and looking for volunteers for tomorrow at one. Steve will get the hardware (nuts & bolts) before then. Bill has some he will give to the group.
