April minutes reviewed and approved.

**OLD BUSINESS:** Discussed the docks and set up next Saturday at 10 a.m. as a workday to set them up. There was a discussion on how to make the docks more stable. Will also use Saturday to put sign up, if possible (if it's not too wet).

There was a discussion on how to make the clubhouse steps more level. It is useable now. Will have to put a different base in and may possibly extend porch. It was decided to wait.

Still need to get copy of by-laws from Doug. He came by today with crates of club documents.

**TREASURER'S REPORT:** Presented and accepted.

**TOWNSHIP REPORT:** No update.

**CLUBHOUSE REPORT:** Need to document the process for opening and shutting down the clubhouse, draining well, etc. We will try to have that written up on Saturday at the workday. (House rules)

Discussed that clubhouse looks good and probably doesn't need power washing this year.

Thanks to Ray for mowing the grass last week. Ray mentioned that he can get a couple padded seats for free. He was encouraged to do so.

**ACTIVITIES:** There was a discussion on the need for the Activities Director. So far there has been no interest. It was decided to keep the position open until the right person wants to do it. Steve and Patti will take next week's open house. Dave will take June 17. Karen will take July 15. It was suggested to hang a sign up calendar on the wall. Patti and Steve are not available for the canoe trip on June 4 (push off at 10). Bill will do the grill. Ray will help.

Euchre Tournament scheduled July 23, 6pm registration, 7 pm game start. Patti will talk to Scott about organizing it.

**HAPPY HOUR:** Next Happy hour is May 20.

**NEW BUSINESS:** None other
