LOLA meeting: May 8, 2022

Meeting called to order @ 9:00 am

Officers Present: Paul Duran; Patti Powell; Pat ten Haaf; Bruce Pickle; Curt Johnson; Ryan Greenway; Steve Powell; and Ray Bolton.

Officers Absent: none

Last month's minutes and the treasurer report were e-mailed to each officer. Patti posted both the minutes and treasurer's report. A motion to accept the minutes was made by Patti and seconded by Ryan.

TREASURER'S REPORT:

The report was read by Patti Powell. A motion to accept the report was made by Ryan and Ray seconded. Ray asked if the Euchre party night was drawing in enough people to make it worth our time and money providing food. This is a social event not intended to make money. We only have 2 a year and those that do attend enjoy the event and generally bring food.

ACTIVITIES DIRECTOR REPORT:

The kayak/canoe trip will be June 4 along with a summer party/picnic to follow. Paul wanted suggestions for the get together. We can provide hot dogs and chips. We can set out the corn hole game and welcome new people to attend. Pat will change the sign and hopefully bring in new members.

The roadside cleanup was good. We had help cleaning up around the clubhouse. Ray and Paul offered to put the dock in.

UNFINISHED BUSINESS:

The propane tank is empty, we must act on this soon. Ray suggested we purchase a 250 # tank out right. Curt says things could go wrong and if we rent from a company, they will be responsible, not us. We last filled in April 2019 for \$1,100.00 (361). The annual rental is now \$160 a year. Curt suggested that we drop the website and rent the propane tank. He believes the website is not helping our mission. Paul stated this is two separate issues and the propane should be decided separately. Cindy Hodges offered to contact different propane companies and present the possible options next month.

Ray stated the fish plant will not happen this year. The Fishery in Grant cannot get the fish. Other states and other fisheries have no fish.

ANNOUNCEMENTS:

Nominations will be June 11. This is stated on facebook, the newsletter and will be on the board.

TOWNSHIP REPORT:

No one attended, nothing to report.

NEW BUSINESS:

Ray looked into getting new tables and chairs for the clubhouse. He states they would be more expensive than he expected. 10 tables and 40 chairs would cost about \$4,000.00 at Costco. This would be the 6' x 30" tables. We will table this expense for now. Paul states that Joyce has offered a large donation to the clubhouse, but she wants to know what we would be spending it on. For now, this purchase is on hold.

MOTION TO ADJOURN by Patti, SECONDED by Ryan, ACCEPTED @ 9:30 am.
