LOLA meeting: October 8, 2022

Meeting called to order @ 5:00 pm

Officers Present: Paul Duran; Pat ten Haaf; Bruce Pickel; Pam Bradfield and Ryan Greenway.

Officers Absent: Patti Powell; Curt Johnson and Steve Powell

Last month's minutes and the treasurer report were e-mailed to each officer. Paul asked if everyone read the minutes and treasurer's report. Pam needed a minute to read and review. Pat moved to accept the minutes and seconded by Bruce.

TREASURER'S REPORT:

Paul read the report. A motion was made to accept the report by Scott and seconded by Pam.

ACTIVITIES DIRECTOR REPORT:

Tonight will be the chili cookoff and Euchre party. Patti brought the 3rd and 4th place gifts and also the gift card for chili cookoff winner. Paul wants to start the fund raising for the February fishing contest. Banners will be done again like last year.

UNFINISHED BUSINESS:

Scott Dixon met with Russell's to get the clubhouse brought up to code so that we can get the propane tank installed. He believes the cost was \$1,400.00. The work is complete. A vent pipe was installed and now needs to be boxed in. Steve Powell told Scott that he will work on boxing in the vent pipe. Scott says the cost of the propane fill was \$400.00.

ANNOUNCEMENTS:

The dock was taken out by Paul last month. Bruce says the breaker was making noise. He taped down the breaker for the outside lights.

There was discussion regarding winterizing the clubhouse. It is being used for the Kuhn wedding October 24. Bruce states it is hard to drain the water tank and would like to elevate the tank for easier access. Bruce offered to winterize the clubhouse. Jan offered to help.

Scott Dixon contacted the fishery and applied for a new fish planting license. He received the approval to release the fish (walleye and blue gill) the last week of October. Steve Powell told Scott they can release them at his house. If that doesn't work, possibly at Caswell's property. Scott suggested we purchase a lock box and place it at the Lincoln Lake boat launch. We could request donations for the fish fund.

Pam again recommended we put in steps going down to the basement. Everyone agreed. Paul stated that his landscaper did a nice job, and maybe we could hire him to do that.

TOWNSHIP REPORT:

No one attended.

MOTION TO ADJOURN by Ryan, SECONDED by Pam, ACCEPTED @ 5:20 pm.
