

16189 Oakman Drive, Sand Lake, MI 49343

LOLA meeting: September 14, 2019

Meeting called to order @ 9:02 AM

Officers Present: Patti Powell; Paul Duran; Ray Bolton; Patricia ten Haaf; Ryan Greenway

Officers Absent: Steve Powell; Scott Dixon; Pam Bradfield

August minutes were received and approved.

OLD BUSINESS: Ray was paid \$50.00 for gas money while he continues to take care of the property.

Combination locks have been purchased and will be installed today by Paul Duran. He will notify Steve and Patti as to the code and others will be informed as needed. A clubhouse donation was received from the event last weekend (Ingraham). A pig roaster was left on the property but will be picked up by the caterer. Patti will order new "Slow No Wake" signs.

Propane tank rental was discussed. \$154.00 is the annual fee. Peterson and Holton have been contacted but it will take approximately 3 years to use up the propane we have in the tank. Ray will check into Crystal Flash options, maybe they will not have an annual fee.

Pam checked into mailing costs - Cami reported for her that the cost of a meter and the minimum purchase would not be cost effective for our needs.

TREASURER'S REPORT: Read by Patti Powell and approved.

TOWNSHIP REPORT: Ray reports that Lincoln Pines wants to expand. They purchased property from the township. A new CPR machine was purchased at the Fire Department and a new printer purchased for the library. Township meetings are the second Tuesday of each month at 7:30.

ACTIVITIES: October 12 is the Chili Cook-off/ Euchre party after the 5:00 board meeting. Ray will pull out the dock sometime in the next month.

NEW BUSINESS: The by-laws should be reviewed with all officers. A special meeting needs to be scheduled and proposed changes should be mailed to all members by November 14.

Thank you note should be sent to Lincoln Pines for their cooperation keeping tenants out of Blue Lake. Bill Phillips should be recognized for his years of work with the association.

MOTION TO ADJOURN, SECONDED AND ACCEPTED @ 9:45 AM
