Scott Dixon reported that the bluegill and walleye fish planting was successful. It was noted that 1,500 bluegill were purchased but approximately 1,700 were actually planted. Scott's suggestion that we purchase a lock box and place it at the Lincoln Lake boat launch for possible donations for the fish fund was rejected by Lincoln Lake.

Pam's recommendation to put in steps going down to the basement was accepted. Curt Johnson will contact an acquaintance and is looking at sometime in the spring.
