TREASURER'S REPORT:

Patti gave a treasury report. A motion was made to accept the report by Paul and seconded by Steve.

ACTIVITIES REPORT:

Roadside cleanup was a success. 14 people showed up to help. We discussed the recycle issues as we did pick up a large TV and the county did pick it up with the other trash.

Paul reported that he put the dock in the lake. He also filled in the holes where the muskrats had tore up the property close to the lake. Paul suggested getting 2 loads of dirt or bark chip to fill in the holes. Paul will talk to Bruce and discuss the options.

UNFINISHED BUSINESS:

June 17 is township clean-up day. We discussed cleaning out the basement on Friday the 16th. Steve offered to get a trailer to dump all the boxes of decorations and junk. We agreed to meet between 5-6 pm on that Friday.

Boater Safety Class starts at 10 am May 20. Pam reported 14 people have signed up. Steve and Patti will pick up the pizza for the class lunch. Pam says the DNR are involved with the class and they need full names and birth dates for the database. Pam will bring pencils and paper. Flo's will provide 6 pizzas at a discounted price.

ANNOUNCEMENTS:

Patti talked about a local garage sale for the lakes. She was approached about promoting the event. We talked about the work that would have to be put in to make it happen. We decided if someone else wanted to organize the event we would publish it on facebook but our officers would not head it up.

June 10 is nomination meeting
